

Together, we prepare people for work.

## Individual Volunteer Opportunities

*Looking to get involved on a deeper level? Here are some of our ongoing, individual volunteer opportunities that support our Services & Programs eliminate barriers to work and independence:*

- Business Advisory Council Members
  - Representatives from industry-specific areas (Construction, Automotive Services, Banking and Finance and Medical Office) meet quarterly to inform GESMN training teams on industry trends and input on curriculum.
- Computer Lab Assistants
  - Work with students who are learning computer, GED or job-searching skills in a computer lab setting
- Employer Partners
  - Provide valuable, industry-specific training and insight to GESMN program trainees in the following capacities:
    - Guest Speakers: present to trainees on a variety of employment-related topics.
    - Mock Interviewers: provide job interview practice
- GED Tutors
  - Work one-on-one with students to assist in studying and preparation for the General Educational Development (GED) exam.
- Retail Volunteers
  - Enjoy the thrill of a fast-paced thrift retail environment while supporting our mission and community. Volunteers help with things like merchandise presentation, detailed product organization, and greeting customers.
